MT ELIZA'S NEW BUSINESS NETWORKING GROUP

Lots of new things are springing up in Mt Eliza!

The *Mt Eliza Business Networking Group* had their first meeting in September last year and since then it has been steadily growing to around 30 members.

Members can host a "Meet Up" in their own premises and showcase their business to the rest of the group in a relaxed and friendly atmosphere.

Open to adjoining suburbs as well as Mt Eliza it gives members an opportunity to promote their business,

generate connections, learn from other members, or guest speakers, and most importantly to meet and enjoy the company of other professional people.

HAVE YOU HEARD ABOUT THE BEST PIZZA?

To put it bluntly... Harro's has been serving the best pizza in the St Kilda area for well over 12 years and I thought it was about time everyone knew about it!

My daughter, Jacinda, and her hubby, Paul, took over a little pizza shop way back in 1996 and with a lot of hard work turned it into one of the most popular "hidden secrets" in Melbourne, now taking up 3 shopfronts!

Not just serving and delivering awesome pizzas, they have the biggest parras, the best gourmet pizzas, and really

The monthly meeting for March was held at *Make Designs* in Frankston which is a picture framing business as well as a gallery of paintings and prints created by local artists which are for sale.

MEET UP AT MAKE DESIGNS IN FRANKSTON

The group is a non-profit organization and for a modest annual membership you can get together and network!

The next meeting is on Wednesday 21st April at The Sports Injury Clinic, 361 Nepean Hwy, Frankston, and

will be hosted by Pippa Hanson. This will be a great opportunity to see what this clinic has to offer and enjoy some food, drinks and like-minded company.

In the very near future there

will be a meeting (or two) held right here at the Boyz@Manyung!

To find out more you can contact Rahman Ymer, group organizer, on 0419 876 821 or visit: www.meetup.com

MT ELIZA'S NEW FARMER'S MARKET

After 18 months of planning and more than a few obstacles the first *Mt Eliza Farmer's Market* held on Sunday 28th March was a huge success, a really special day enjoyed by the community at large and I have to say it brought a real buzz to the town.

In excess of 3,000 locals and visitors were thrilled by the quality of the event, some saying that it had "exceeded their expectations". That was also the sentiment of the organisers who were delighted by the turnout and are apparently still "pinching themselves"!

Melanie Wigg and the organising team ought to be congratulated on such a fine event and the community is eagerly anticipating the next market.

It will be a long wait, the next market won't be held until May due to the committee's decision not to operate on ANZAC Day as a mark of respect for the veteran community.

In planning for Sunday 23rd May, Melanie says, "We are currently addressing a few issues on the day, bringing people's awareness to car parking options and trying to

The quality of the fresh produce was outstanding, and a firm but fair stance from Market Manager, Melanie Wigg, ensures the stallholders are mostly from within a 50km radius of the town to keep it truly local.

The atmosphere was like a traditional European street market and musicians, entertainers and face painters all contributed towards making it feel like a fun day out, a carnival almost!

ensure that our stallholders don't sell out too quickly. The free range eggs were gone by 9:30am!"

If you missed out on the first market then make it a must for the future, you won't be disappointed.

The Mt Eliza Farmers Market operates on the 4th Sunday of each month right at the heart of the town, on the corner of Mt Eliza Way & Canadian Bay Road from 8.00am to 12.30pm.

FOOD FOR THOUGHT

One cannot think well, love well, or sleep well, if one has not dined well.

VIRGINIA WOOLF
British novelist

RHYS SAYS GOODBYE!

After enjoying 3 years of his distinctive and cheeky style of swooping through the restaurant to wait on our tables we said farewell to Rhys last month.

It's a happy farewell as he's off to the big smoke with an exciting new job to further his career.

Rhys doesn't do things by half, he's also left quiet little Mornington and found himself a new home and a whole new life in a much "busier" place to live!

He will be very much missed and we all wish him the very best.

BEHIND THE SCENES AT THE BOYZ

When we asked Emma for a profile for the newsletter she said, "*I don't have one, I'm here all the time!*"

I thought she was right and started off asking for a list of likes and dislikes, which I'll leave to the end. But there's more to Emma than meets the eye... it all started about 30 years ago in Mentone where Emma was born and while she was still little the family moved to Rye, and are still living there now.

Emma shares a cute little place in Rye with her black & white cat, *Little Man*. It's fortunate she's in Rye as she loves to walk on the beach whenever she can and loves the outdoors.

Emma's latest project has been creating a whole new cottage garden but she says her most fun and adventurous

pastime is kayaking with her sister.

And Emma isn't always out the front, she likes cooking and sneaks into the kitchen to "give it a go" whenever she can!

Emma's favourites...

Colour: Turquoise
Food: Chocolate & mash potato
Drink: Bacardi & Coke
Flower: Oriental Lily
Animal: Cat
Place: Mansfield (to visit Nan)
Travel: Bora Bora
TV star: Gerard Butler

Emma's pet hates...

No loo paper and being cold!

EMMA MAY BE CAMERA SHY BUT SHE WAS HAPPY TO POSE FOR THIS PHOTO!
